At Goree Enterprises we have married the finest design and digital print technology to create wedding [photo books](#) that are as elegant as the events they commemorate.

On the coffee table or on the bookshelf these are the books that modern couples and their families want. An heirloom wedding book built to last - a legacy book to be enjoyed by current and future generations.

The 12x12 Lay-Flat Photo Book comes standard with a heavy hinged semi-gloss paper, which allows the pages to lay flat for a more upscale look and feel. This wedding book comes standard with 20 pages and additional pages or only \$25.00 This elegant photo book also comes standard with luster photo cover. Price starting at \$300.00
